6. Modifying or Cancelling an Order

Orders can be modified or cancelled within **60 minutes** of placement, provided the order has not entered “Packing” status. To make changes:

- Log in and open the order under Account → Orders.
- Click “Request Change” or “Cancel Order”.
- If the option is unavailable, the order has already entered fulfillment.
- After shipment, use the Return & Refund process once delivered.

Cancellations requested after shipment are treated as returns and may incur return shipping and restocking fees.

7. Lost, Delayed, or Missing Packages

7.1 Delays

Severe weather, holidays, customs, and carrier congestion can cause delays beyond our control. If tracking has not updated for 5 business days, contact support to open a trace.

7.2 Missing / Lost Packages

- If tracking shows “Delivered” but the parcel is missing, wait 24 hours and check with neighbors.
- File a report with your local carrier within 48 hours.
- Contact Acme support with the case number.
- We will open a carrier investigation (5–10 business days).
- If the parcel is unrecoverable, we issue a replacement or refund.

7.3 Stolen Packages

We strongly recommend a signature-required service or a package locker for high-value orders. Acme is not liable for parcels confirmed delivered by the carrier to the correct address, but we will assist in filing claims.

8. International Shipping & Restrictions

We ship to more than 40 countries. International orders are subject to customs clearance, import duties, and local taxes, which are the customer’s responsibility. Customs delays are outside our control. Some items (batteries, aerosols, alcohol, perishables) cannot ship internationally. If a shipment is returned to us due to unpaid customs or refused delivery, we will refund the item price minus shipping and a 10% restocking fee.

9. Address Accuracy

Please verify your address at checkout. We are not responsible for orders delivered to an incorrect address you provided. If the parcel is returned to us as undeliverable, we will contact you to arrange reshipment at your expense.

10. Delivery Signature & Instructions

- Orders over \$500 require an adult signature at delivery.
- You may add delivery instructions at checkout (leave at door, etc.).
- Carrier may not follow instructions if unsafe or prohibited.
- Acme is not responsible for parcels left under customer instructions.

11. Damaged in Transit

Inspect the parcel before signing. If there is visible damage, refuse the delivery or note it with the driver. Report hidden damage within 48 hours with photos. We will replace or refund.
